

2024  
EXQUISITE MOONCAKES  
— The St. Regis Bangkok —

The St. Regis Bangkok Mooncake Selection, a perfect muse for this mid-autumn festival, is packaged in an elegantly crafted watch box, showcasing its design of a graceful peacock indulging in the tropical garden and moon bathing.

In Chinese culture, the peacock is revered as a symbol of beauty, prosperity, and nobility, often associated with the divine qualities of the phoenix. Representing Yang energy in Feng Shui, the auspicious animal signifies positivity, and its vibrant feathers are believed to attract luck and joy, making it the perfect present to share your love and best wishes in this mid-autumn celebration.

Our Mooncake Watch Box Package can store and organize four watches in one place. It consists of:

- ◇ Four compartments
- ◇ Four watch cushions

## *Durian with a Single Egg Yolk*

Our forever best-selling mooncake made from the luscious Mhon Thong durian, combining the perfect balance of sweet, savory, and the indulgent richness of a single egg yolk.

Auspicious meaning: The vibrant golden color of the durian is believed to bring abundance to the recipients.

## *Red Bean with a Single Egg Yolk*

A perennial favorite that encapsulates the essence of tradition, featuring the classic combination of smooth red bean paste and a perfectly balanced single egg yolk.

Auspicious meaning: Red bean symbolizes pure love for your cherished ones, and evokes a sense of nostalgia and warmth.

### *Lotus Seed with a Single Egg Yolk*

A classic mooncake filling offers smooth and nutty taste with the addition of the salted egg yolk allowing savory flavor to balance out the sweetness.

Auspicious meaning: Lotus seed is believed to bring prosperity, whereas the egg yolk represents the bright light of full moon during the Mid-Autumn festival.

### *Green Tea with Pistachios*

Our new flavor of 2024 highlights the slightly bitter taste of green tea, infused with the delightful crunch of pistachio nuts for a unique texture and delicious taste.

Auspicious meaning: Pistachio symbolizes health, happiness and good fortune, whereas tea is used to foster friendship.
